SUMMARY

Aspiring UI/UX Designer skilled in UX research, prototyping, and wireframing. Proficient with Sketch, Figma, and Adobe XD, seeking to create exceptional user experiences and innovative design solutions.

INTERNSHIP

MAX CREATIONS - Designer Intern

Jul 2023 - aug 2023

- Facilitates diverse design tasks including logos, web pages, and posters.
- Gathers user insights through surveys, enriching design with valuable research data.

PROJECTS

Limited Liquor Scheme [LLS]

- A UI/UX design for an app with a new scheme called the Limited Liquor Scheme (LLS) allows people to consume a limited amount of liquor per day upon verification of their Aadhaar card. Additionally, it provides monthly analysis to help maintain their health, offering everything on one platform, with a complete prototype and wireframing.

Bus Boarding System [BBS]

- The final year project focuses on efficiently locating a particular bus within a complex bus stop environment, leveraging the capabilities of RFID and NODEMCU technology. The primary goal is to achieve this objective through dedicatedly crafting a comprehensive UI/UX design for the project. This involves meticulous attention to detail in creating wireframes and prototypes, ensuring a user-friendly interface and seamless functionality.

CERTIFICATIONS

UI/UX Designer for Beginners

- Equips learners with essential skills in UI/UX design for intuitive digital experiences.
- Covers key concepts like wireframing, prototyping, and usability testing for user-centric interfaces.

SKILLS
